

DEPARTMENT OF ORGANIZATION AND ECONOMICS OF PHARMACY

# Pre-diploma practice colloquium On Social Pharmacy and Pharmaceutical Legislation - Instructions

According to 8.7. Section XI. Teaching practices from the RULES FOR PREPARATION AND CONDUCT OF THE 2021/2022 ACADEMIC YEAR (approved by the AC from 03.06.2021) at MU-Sofia, after completing the undergraduate internship students of pharmacy take colloquium on Social Pharmacy and pharmaceutical legislation.

The conditions and procedure for conducting a colloquium on pharmaceutical legislation have been adopted by a decision of the Department of Organization and Economics, Faculty of Pharmacy, MU-Sofia.

## Required knowledge

### Students should have a thorough knowledge of:

- ✓ The structure and the main provisions of the relevant current at the date of the colloquium normative documents at national level, concerning the structure, order and organization of work in a pharmacy serving citizens and in a hospital pharmacy;
- ✓ Keeping the documentation in the pharmacy (registers, diaries), accounting, the procedure for prescribing and dispensing medicines, working with different types of prescriptions;
- ✓ Prescribing and dispensing medical devices, food supplements and other products available in pharmacies;
- ✓ The organisation and management of the drug supply process at the retail level;
- ✓ The conditions and criteria for reimbursement of medicinal products, structure of the PDL, pricing and reimbursement policy;
- ✓ The procedures for control in pharmacies and the main functions of the controlling authorities.

## Conducting colloquium

### ✓ Format:

- Test with open-ended and closed questions related to the main regulatory documents governing the activities and organization of work in a community pharmacy;
- Oral examination and discussion on current issues related to pharmaceutical legislation.

### ✓ Organization:

- Students shall attend a colloquium on a specific day and time according to a pre-determined, approved and officially published schedule;
- The colloquium is held in front of the faculty members of the academic staff of the Department of Pharmacy Organization and Economics.

## Evaluation

A colloquium with  $\geq 70\%$  correctly answered questions is considered as "pass".
